Could not have been any better! Honestly everyone here is just absolutely amazing and you have all gone above and beyond for us. The food was just amazing and everyone loved it so much, So thank you to your chef!"

- Becky and Fraizer -

"Thank you so much for the most wonderful wedding day; a day we shall cherish with so many memories for ever! As coordinators you felt more like fast-track friends who knew us so well by the day! A massive thank you must also go to Ian and his kitchen team who delivered such amazing food. When our eyes explored the table of food we were just in awe of how our food wishes were met. I particularly remember my jaw dropping when the dessert tier arrived - blown away! Guests complimented the food all day"
